DESCRIPTION

Compact plush bear measuring 13 x 16 cm, made from PET-cotton for a soft feel. The eyes, nose and mouth are embroidered to avoid loose parts, and it wears a white printed T-shirt with a doctor motif. Lightweight and cuddly, it suits healthcare promotions, corporate gifts and children’s events. Care: surface cleaning recommended to protect the fabric and print.

The design is small and easy to carry; visible stitching on the arms and paws indicates practical finishing for regular use. The item is offered in several colours and variants—see the product sheet for available options. This product has a minimum order of 75 pieces (colours and sizes combined); smaller quantities may be possible for an additional fee.

Customisation available by transfer, DTF printing, flex or sublimation depending on placement. Ideal for companies, sports clubs, associations, events and private individuals seeking a personalised plush toy for giveaways or gifts. Free quote within 24 hours on weekdays and a graphic studio can retouch or vectorise your logo.
