DESCRIPTION

Children's umbrella with automatic opening, designed for everyday rainy-day use. Canopy made of PE, metal shaft and ribs for reliable structure, and a PP J-handle sized for small hands. Measures 46 cm (18") across when open, providing compact coverage suitable for young users without being bulky.

The metal frame and PP fittings keep the umbrella lightweight and easy to handle. Visible seams and tip finishes ensure a taut canopy. The automatic open mechanism makes it straightforward for children to operate, and it folds away simply for storage.

This Drykid model is available from a minimum order of 25 pieces (colours and sizes combined) and suits schools, clubs, associations, events and companies looking for a useful giveaway.
