DESCRIPTION

Compact ABS office accessory combining a calculator and a 5" LCD writing tablet, supplied with a stylus. This unisex item pairs a conventional numeric display and keypad with an erasable writing surface, handy for jotting quick notes, calculations or sketches. Its small footprint (7.5 x 1.6 x 12.8 cm) makes it easy to store in a bag or desk drawer for everyday use in companies, clubs, schools or at events.

The calculator section features a clear LCD above a well-spaced button layout, while the writing tablet fills the right-hand side and includes a visible erase button at the base. The ABS casing provides a consistent surface for marking and a sturdy feel. Care is straightforward: wipe with a soft, dry cloth.

Customisation options include digital printing, doming and pad printing, perfect for corporate giveaways, promotional items, school supplies and association events. Minimum order: 40 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; graphic studio available to vectorise your logo.
