Country of origin	China
Carton	300 pieces

DESCRIPTION

The Magrec 100 is a rectangular PVC magnet designed for office and promotional use. Its laminated PVC surface gives a smooth, slightly glossy finish that is easy to clean with a damp cloth. Measuring 7.5 x 10 x 0.15 cm with gently rounded corners as shown in the photo, it provides a compact, practical area for branding while remaining unobtrusive on magnetic surfaces such as fridges or display boards.

The PVC lamination protects the printed area from light abrasion and helps maintain a neat appearance during regular use. Its slim profile keeps it low-profile and allows for convenient stacking and storage without damaging printed faces.

You can personalise this item using tampography or digital printing, making it suitable for companies, clubs, associations, events and individuals. A minimum order quantity of 150 pieces applies (colours and sizes combined); smaller quantities may be possible with additional fees. Our graphic studio can prepare or vectorise your logo. personalised office accessory
