DESCRIPTION

The Maground is a round PVC magnet, 5.8 cm in diameter and 1.5 mm thick, intended for office and promotional use. Its surface features a PVC lamination that provides a smooth finish and easy cleaning; lightweight and unobtrusive, it adheres to metal surfaces and fits neatly on folders, whiteboards or magnetic displays. The compact size makes it practical for event giveaways or everyday office use.

The magnet is available in 1 colour (white). It can be personalised with digital printing, suitable for gradients and solid-colour artwork. Minimum order quantity: 250 pieces (colours and sizes combined); smaller runs may be possible with additional charges. We provide a free quote within 24 hours on weekdays and have a graphic studio to vectorise or refine your artwork. Standard production is 10 working days; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.

Suited to companies, sports clubs, associations, schools and individuals looking for a personalised magnet, this item lets you distribute a logo, event date or practical information clearly via digital printing.
