DESCRIPTION

Glass oil dispenser designed for everyday kitchen use. The body is glass with a 450 ml capacity and a PP lid housing a PE straw and spray mechanism, allowing switching between pour and spray functions. A side handle visible on the photo ensures secure handling and a protected spout is incorporated into the lid. Dimensions: 10 x 7.9 x 18 cm. Hand washing is recommended to preserve the plastic lid and spray mechanism.

The bottle has a slim profile and stable base; the internal straw is removable for cleaning. The lid includes a button/lever control and a narrow outlet for precise dosing. The item is available in 1 colour: black. Compact and practical for small catering environments, corporate gifts or event giveaways.

This personalised kitchen utensil can be decorated by screen printing, laser engraving or pad printing, techniques well suited to glass and lid plastics. Ideal for businesses, restaurants, clubs and events; minimum order: 25 pieces (colours and sizes combined). Free quote in 24 h on weekdays and a studio to prepare or vectorise your logo.
