DESCRIPTION

Flat Peak newsboy cap in cotton twill, offering a tailored, classic fit suitable for men and women. Made from sturdy cotton (235 g/m²), it provides a natural feel and reliable structure; the flat profile and short peak deliver comfortable, low-profile wear. Useful dimensions are 23x28 cm — practical for events, teams and promotional use. Gentle washing is recommended to preserve fabric and stitching.

The cap features visible top stitching and a discreet reinforced peak, plus an adjustable metal buckle at the rear for sizing. The construction retains its shape during extended wear and the clean finishes make it straightforward to brand on the front or side.

Customise this cap for companies, sports clubs, associations or events: available in several colours (e.g. black, blue, khaki) and supplied with a minimum order of 100 pieces (colours and sizes combined) — smaller quantities are possible with additional fees. Marking techniques offered: embroidery, screen printing on objects, multicolour transfer, DTF printing and flex. A practical personalised cap for promotional campaigns and uniforms.
