DESCRIPTION

Foldable organiser bag in RPET, designed as a sturdy shopping bag and multipurpose basket. Its rectangular shape (37x27x33 cm) and RPET construction provide good self-support for groceries, picnic items or boot organisation. It features an external open pocket for small items and folds flat for storage. Available in 1 colour (Black).

The design includes two long shoulder handles plus two side carrying handles for versatile handling; reinforced stitching and a rigid top rim keep the bag upright. The interior surface appears wipeable for easy cleaning.

This personalised shopping bag can be marked by screen printing, multicolour transfer, DTF printing or flex, depending on the desired finish. Suitable for companies, sports clubs, associations, events and promotional gifts. Minimum order: 5 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees. Our design studio can vectorise your logo before production.
