DESCRIPTION

This rigid PVC badge measures 54 x 86 mm (8.6 x 5.4 cm) and is designed for use on a lanyard. Its rectangular shape with rounded corners and the elongated slot at the top allow easy attachment to a cord or clip. The smooth PVC surface provides a clean print area and the material keeps its shape under regular handling.

Easy to wipe clean with a damp cloth, the badge is suitable for conferences, receptions and access control. Its standard dimensions accommodate legible names and graphics and it can be used with badge holders when required.

Customisable by digital printing or pad printing, this item is aimed at companies, associations, clubs and event organisers who need a personalised badge. Minimum order: 1000 pieces (colours and sizes combined).
