DESCRIPTION

Practical shopping bag in laminated jute with cotton canvas (280 g/m²), made for everyday and corporate use. Rectangular shape with a flat base (34 x 15 x 44.5 cm) keeps its form and makes it suitable for carrying documents or purchases. Rope handles provide comfortable carrying and a large open front pocket offers quick access to small items.

Visible seams and a reinforced base improve durability in daily use. Care is straightforward: shake out, brush clean and spot-clean when necessary — avoid prolonged immersion to protect the lamination and canvas.

This personalised shopping bag can be marked by screen printing on objects, multicolour transfer, DTF printing or flex. Suitable for companies, shops, associations, events and individuals looking for a practical, reusable promotional item. Minimum order: 25 pieces (colours and sizes combined); free quote on weekdays.
