DESCRIPTION

Compact toiletry bag (21 x 13 x 9 cm), practical for storing toiletries when travelling or for everyday use. Made from RPET with a PU coating and a 210D RPET lining, it keeps a rectangular, stable shape and features a side carry loop. A top zipper gives easy access to the main compartment.

There is also a front zip pocket to separate small items and accessories. The PU finish and neat seams provide durable structure and a smooth, low-maintenance surface — spot cleaning with a sponge is usually sufficient.

This product can be personalised as a personalised toiletry bag using screen printing on objects, multicolour transfer, DTF printing and flex, suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 50 pieces (colours and sizes combined) — smaller quantities may be possible with additional fees, indicated on the product page.
