DESCRIPTION

The Cordi Note A5 notebook features a hard corduroy-style cover in RPET polyester and 192 lined pages made from recycled paper. At 21 x 14.5 x 1.6 cm it's compact and practical for daily office use, meetings or note-taking on the go. The recycled materials make it a more sustainable choice while retaining a sturdy feel suitable for professional contexts such as businesses, clubs and schools.

An elastic closure keeps the notebook secure, while the pen loop and ribbon marker support organised use; a kraft label adds a refined touch. The textured cover provides a comfortable grip and protects the pages during transport. The notebook comes in several colours, for example grey, off-white or blue.

This personalised notebook can be marked by laser engraving, pad printing, multicolour transfer, DTF printing or flex (heat transfer vinyl). Minimum order: 24 pieces (colours combined). Ideal for corporate gifts, events and associations — our graphic studio can vectorise or retouch your logo for production. Personalised notebook.
