DESCRIPTION

This stainless steel multitool, model Mutool, is designed for picnic and camping use: 17.5 x 3.4 cm, unisex and robust. It combines a spoon, fork, serrated knife, bottle opener, can opener, adjustable wrench and hex key into a single compact utensil, easy to clean and suited to outdoor conditions.

The flat, compact profile slips into a backpack or kit without taking space; cut-outs in the body enable several functions without moving parts. The product is available in 1 colour (black) and one size (17.5 x 3.4 cm); it contains no textile components.
