DESCRIPTION

The Soblue sunglasses feature a SEAQUAL® PP frame with PC/AC lenses offering UV400 protection. Designed for everyday outdoor use, the slightly wayfarer-inspired shape provides solid coverage and a secure fit thanks to the ergonomic temples. With dimensions of 14.1 x 13.8 x 4.6 cm they are practical to carry and suit a wide range of face shapes.

Clean, minimal lines make this model well suited as a corporate gift or promotional item. The sunglasses come in several colour options — for example Black, White, Turquoise — and are durable due to their PP construction. Care is straightforward: wipe lenses with a microfibre cloth and avoid harsh solvents.

Customisation is available by DTF printing, doming or pad printing; please note a minimum order of 150 pieces (colours combined). Ideal for companies, clubs, associations and events. We provide a free quote within 24 hours on weekdays, a graphic studio to adapt your logo and collection from our Evere workshop or delivery to BE/FR/LU.
