DESCRIPTION

The Bead 7-panel cap with flat visor is made from cotton serge for a casual, everyday wear. The structured crown keeps its shape while the polyester mesh back improves breathability; the cotton front gives a natural feel. Available in several colours, for example black, white or royal blue. Approximate dimensions: 22 x 16 x 11.5 cm. Hand-cleaning is recommended to help preserve the cap's shape.

The 7-panel construction and flat peak create a contemporary profile, with visible stitching reinforcing durability. A plastic snap closure at the rear allows size adjustment and the mesh back reduces heat build-up during prolonged outdoor use.

Order this personalised cap for companies, sports clubs, associations or events. Personalisation techniques available: embroidery and screen printing on objects.
