DESCRIPTION

The Field cap features a military-style cut for a comfortable fit and practical appearance. Made from brushed cotton with a polyester sweatband and an adjustable hook-and-loop fastening at the back, it is supplied in a 58 cm size and is suited to regular outdoor use. Care on a low temperature is recommended to preserve shape.

Visually, the cap shows a paneled construction, a gently curved peak and reinforced stitching that improves durability and hold. Its low-profile fit and clean finish provide stable wear while the sweatband increases comfort during prolonged activity. Available in several colours including Black, Beige and Khaki.

This personalised cap is offered with a minimum order of 100 pieces (colours and sizes combined). Customisation techniques available: embroidery, object screen printing, multicolour transfer, DTF printing and flex.
