DESCRIPTION

Unisex cotton shopping bag, suitable for groceries, trade shows or everyday use. Made from cotton at 140 g/m², it has a simple flat cut measuring 38x42 cm that provides a large printable area. The long handles make shoulder carrying comfortable and the fabric has a soft, natural feel, easy to care for with a gentle wash.

The no-gusset design keeps the bag compact and flat, convenient for storage or distribution at events. Practical finishing includes visible side seams and reinforced straps for regular use. Available in multiple colours — for example Black, White or Royal Blue — it adapts well to branding needs and bulk distribution.

Customize this bag using our techniques: screen printing, multicolour transfer, flex, embroidery or DTF printing. Suited to companies, associations, sports clubs, events and private customers looking for a personalised shopping bag. Note: minimum order 100 pieces (colours and sizes combined).
