DESCRIPTION

Compact milk frother made of ABS, suitable for creating frothy milk for cappuccinos and other hot drinks. This unisex model features a slim vertical body with a side button and a stainless-steel whisk arm, as shown in the photo. It is powered by 2 AA batteries (not included) and measures 3.5 x 2.2 x 19.8 cm, making it easy to store in a drawer or travel pouch.

The smooth ABS finish is durable and simple to wipe clean; the whisk head can be rinsed under running water. Its straight, minimalist shape is practical for use in cups and small vessels. The product is available in 1 colour (black).

This personalised milk frother can be marked by digital printing, doming or pad printing, depending on the area and finish required. Suitable for companies, cafés, events, clubs and private customers, it has a minimum order of 100 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Free quote in 24 hours on weekdays and a graphic studio is available to vectorise your logo.
