Multi bit bendable screwdriver

Ref. 2872

Reference	2872
Composition	ABS
Material	ABS
Average weight	0.163
Dimensions	16.7 x 3.3CM
Country of origin	China
Carton	40 pieces

DESCRIPTION

Compact multi-bit screwdriver in ABS designed for everyday tasks. The ergonomic handle features a textured grip area to reduce slipping and improve control. The kit includes 12 steel bits (Phillips, flat, hex and Torx) stored on a removable bit carrier; overall dimensions are 16.7 x 3.3 cm, making it convenient for quick repairs and on-the-go use.

The handle incorporates a locking mechanism to secure bits and allows smooth rotational use. The ABS construction provides impact resistance while keeping the tool lightweight, so it fits easily in a toolbox or service bag.

Customisation available by doming and tampography. Suited for corporate gifts, club giveaways, event merchandising and service technicians. Minimum order: 20 pieces (colours and sizes combined). Personalised tools and torches.
