DESCRIPTION

Pair of 2 Stabil knee pads designed for active use. Constructed from laminated fabric with chloroprene rubber and a terry inner lining, they are soft, flexible and supple to follow movement comfortably. Approximate dimensions 32x2 cm; suitable for sports requiring targeted support without restricting mobility. The pads are suitable for wearers of any gender.

The image shows a compact shape with a hook-and-loop fastener for easy adjustment; the build provides secure fit around the lower leg without bulky rigid parts. The set includes two pieces for bilateral support during training or events.

Customisation is available using transfer (multicolour), DTF printing or flex. Minimum order quantity: 50 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and individuals looking for personalised knee pads for team ID or promotional use. Free quote within 24 hours on weekdays and in-house studio for logo vectorisation.
