Waterproof fisherman hat

Ref. 2877

Reference	2877
Composition	PA
Material	PA
Average weight	0.05
Dimensions	58CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Palmar waterproof bucket hat in nylon with UPF50+ protection, presented in a unisex cut. The hat is foldable and supplied in a 58 cm size. The PA fabric gives moisture resistance and a matt finish, making it suitable for outdoor uses such as fishing, hiking or open-air events.

The design features a simple crown and a brim reinforced by concentric topstitching that gives structure to the visor. A chin cord with an adjustable toggle keeps the hat secure in windy conditions and allows quick fitting. Lightweight and compact when folded for easy transport.

This hat can be personalised by embroidery, screen printing (object), multicolour transfer or DTF printing, ideal for companies, sports clubs, associations, events and private customers. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays. Our studio can vectorise or retouch your logo. Pickup at our Evere workshop or delivery in Belgium, France and Luxembourg.
