DESCRIPTION

Five-panel corduroy cap in polyester, unisex fit at 58 cm, designed for everyday wear. The ribbed texture gives a structured yet soft hand and the supplier indicates a weight of 220 g/m². The curved peak and five-panel construction provide a modern, understated profile that sits comfortably on the head. Care should follow recommendations for synthetic fabrics.

The cap features an adjustable metal buckle at the back for a secure fit and visible topstitching that reinforces the construction. It is offered in several colours — for example black, beige or blue — allowing selection to match your brand or event.

Customisation is possible with a minimum order of 100 pieces (colours and sizes combined) for this model. Suitable marking options include embroidery, multicolour transfer, DTF printing and flex. Ideal for businesses, sports clubs, associations, events and individuals; our graphic studio can vectorise and refine your logo before production.
