Its ergonomic shape, with moulded finger grips and textured panels, ensures a secure hold; the sport cap with a push-pull spout allows quick, spill-resistant drinking. Compact dimensions (7.8 x 7.4 x 23.2 cm) make it easy to fit in gym bags or bottle cages.

The robust plastic construction gives reliable durability for regular use. The bottle comes in several colours, for example Black, Navy Blue or Red, and can be rinsed with warm soapy water. Made from PET, it is intended for cold beverages and practical day-to-day handling.
