DESCRIPTION

This pop-up beach shelter Shade is designed for two people and outdoor leisure use. Constructed from lightweight PE, it features an integrated floor to protect from sand and a front opening that provides shade and ventilation. At 160 x 140 x 110 cm it gives a comfortable sheltered area while remaining easy to carry and store in the round transport bag shown.

The product includes six steel pegs for anchoring and reinforced edging to help stability on the ground. The pop-up design sets up without tools and surface-cleaning with a damp cloth is sufficient after use. The compact bag makes transport between events straightforward.

Customisation options include screen printing, multicolour transfer, DTF printing and flex. Ideal for companies, sports clubs, associations, events and individuals looking for a personalised beach shelter. Minimum order quantity: 5 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and a graphic studio to vectorise or retouch your logo.
