The Woodfan wooden hand fan is designed for outdoor events and promotions. Constructed from Schima Superba wood with a pleated polyester leaf and fitted with 34 ribs, it opens to a generous 23 x 42 cm. The slim handle provides comfortable grip and the lightweight build makes it easy to carry and maintain (simple dusting and gentle hand cleaning recommended).

Featuring a classic semicircular shape and evenly spaced ribs to support the fabric, this fan is available in multiple colours, for example Black and White, and is practical for giveaways at festivals, weddings or outdoor activations.

Customisation is available by laser engraving and pad printing, making this a personalised Evènement de plein air ideal for companies, clubs, associations, events and private customers. Minimum order: 50 pieces (colours and sizes combined); smaller quantities may be possible with additional fees.
