DESCRIPTION

This magnetic A4 planner in acrylic (Planit model) provides a rigid, transparent 30x20cm surface designed for office use. The monthly grid layout lets you map out days and appointments, and it comes with three magnetic dry-wipe markers (black, red and white) plus fixing screws for wall mounting. The acrylic surface is easy to clean and quick to wipe off after use.

The flat finish and four magnetic mounts ensure secure placement on metal surfaces; the printed grid provides clearly defined boxes for neat entries. No textiles involved — maintenance is limited to light cleaning with a soft cloth and non-abrasive cleaner if needed.

Suitable as a personalised accessory for companies, clubs, associations and events. Customisation options include pad printing, digital printing and doming for adding a logo, department name or colour codes. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our studio can vectorise or retouch your logo.
