DESCRIPTION

The Clipa A4 clipboard is designed for everyday use at the office, in schools or at events. Its rigid paper cover with a silver metal clip holds A4 sheets securely while providing a firm, lightweight writing surface that is easy to carry and maintain. The slim profile makes it simple to slip into a bag or onto a desk.

The clean rectangular design suits note-taking on the move, forms or attendance lists. The metal clip ensures reliable grip on loose pages and the thin construction keeps storage easy. It is available in several colourways, for example black and beige, so it fits a range of professional settings.

This item can be produced as a personalised clipboard using laser engraving, digital printing or screen printing. Well suited to companies, schools, associations, sports clubs and events.
