DESCRIPTION

Compact water-repellent notebook designed for note-taking on the move or at the workplace. The PP cover is water-resistant, with a top spiral binding, 50 lined pages on 120 g/m² mineral paper and an elastic closure. A pen is supplied with a dedicated pen loop, making this a unisex, pocket-friendly kit that is easy to carry and simple to clean thanks to its synthetic cover.

Built for everyday practicality: the spiral allows pages to turn flat, the elastic strap secures the notebook, and the pen with blue ink fits neatly in its holder. Rounded cover corners reduce wear and improve handling during frequent use.

Can be personalised by digital printing, doming, pad printing or screen printing on objects. Suitable for companies, sports clubs, associations, schools, events and private customers looking for a durable promotional notebook. Minimum order: 50 pieces (colours and sizes combined).
