DESCRIPTION

This 300 ml stoneware mug features a matt exterior with a white interior and rim. Its straight-sided shape, generous handle and compact dimensions (Ø8.2 x 9.6 cm) suit office coffee breaks, event catering and everyday use. Each mug is supplied individually boxed in a white cardboard box.

The Mugiva model offers a comfortable grip from its rounded handle and sits steadily on flat surfaces. The stoneware provides a matt finish and practical durability for regular use, while the white interior helps assess cleanliness. Supplied ready for marking, it integrates well into corporate gift sets or event merchandise.

Personalised mug via laser engraving for a durable, understated marking. Ideal for companies, clubs, associations, events and private customers.
