DESCRIPTION

The Evaslip flip-flops in EVA (size 36/37, 25.3 cm) feature a one-piece, lightweight construction ideal for wet or outdoor use. They have a toe-post strap and a moulded footbed with concentric texture that improves grip and helps prevent slipping. The EVA material is easy to clean and quick to dry, making these flip-flops low-maintenance for regular wear.

The model is offered in several colours, for example black and white, and is designed for settings where a simple, easy-to-wear shoe is needed. The outsole shows a tread pattern that adds traction on various surfaces; there are no textile components on this item.

These flip-flops can be personalised by tampography and are suitable for companies, clubs, associations, events or private orders. The Evaslip requires a minimum order of 10 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo and include the marking in the quote.
