DESCRIPTION

The Evaslip flip-flops in EVA, size 38/39, provide a lightweight, durable option for summer wear or outdoor events. The one-piece moulded construction makes them easy to clean—rinsing with water removes sand and light dirt—and the EVA material offers flexible cushioning and reliable grip on wet surfaces.

The footbed features a textured pattern to help keep the foot in place and the outsole has a shallow tread for improved traction. The V-strap is integrated into the sole and the ergonomically shaped footbed supports natural foot position; the length is approximately 26.6 cm. The model is available in several colours, for example black and white.

These flip-flops can be personalised by pad printing and are suitable for businesses, sports clubs, associations and event organisers. Minimum order quantity: 10 pieces (colours and sizes combined). We offer a free quote within 24 hours on weekdays and an in-house design studio to prepare or vectorise your logo.
