DESCRIPTION

Unisex slides in size 42/43 made from EVA, designed for casual indoor and outdoor wear. The one-piece construction with a length of 29.4 cm and a wide strap provide easy on/off and a simple, comfortable fit. EVA is lightweight, water-resistant and easy to clean with a damp cloth, making these Evaslide slides practical for locker rooms, promotional events and relaxed occasions.

The wide strap and moulded sole include a textured footbed to help reduce slipping. The seamless mono-material construction simplifies care and improves durability, while the sole thickness gives a comfortable feel without added complexity.

Customisation is available by screen printing and embossing. Minimum order quantity: 5 pieces (colours and sizes combined). Suitable for companies, sports clubs, associations, events and individuals looking for personalised slides for giveaways or merchandising.
