DESCRIPTION

This single-wall 500 ml Svalur bottle is made from stainless steel (90% recycled + 10% stainless steel) with a rubberised finish and a PP/SS lid featuring a silicone carry loop. Its slim profile and practical handle make it suitable for daily use at the office, on the move or at events. Compact dimensions (Ø6.1 x 21.3 cm) fit easily into a bag; handwashing is recommended to preserve the finish.

The bottle is available in several colours, for example White, Dark Green or Navy, and has a matte tactile surface as shown in the image. The carry loop on the lid provides secure, convenient transport without extra accessories.

Customisation available from 20 pieces: personalised bottle using digital printing, laser engraving, screen printing for objects or pad printing. Well suited to companies, sports clubs, associations, events and corporate gifts. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
