DESCRIPTION

Children's colouring set "Funsketch": a compact case containing 50 recycled paper sheets and 12 wooden coloured pencils. The kraft paper cover and wooden pencils form a sturdy, portable set measuring 13.7 x 20 x 1.7 cm, easy to carry in a schoolbag. Care is minimal — keep the cover dust-free and sharpen pencils as needed.

The case opens flat and the pencils are held in place by an internal elastic band to prevent movement and simplify storage. The rigid cover protects the sheets during transport and the compact dimensions make it suitable for school use, events and activity packs.

Customisation is available by tampography or screen printing (objects) to add a logo or message. A practical choice for companies, schools, clubs and associations looking for a promotional item for children. Minimum order: 20 pieces (colours and sizes combined).
