DESCRIPTION

The vegan Labbra lip balm stick (4.5 g) provides SPF10 protection with a vanilla scent and has been dermatologically tested. Housed in a compact PP tube (7 x 1.5 x 1.5 cm), it's designed for everyday use and is easy to carry in a pocket or bag. The product is available in several colours, for example black, red and turquoise.

The tube is a smooth cylinder with a snap-on cap and a visible twist mechanism to raise the balm without touching it. Its even surface ensures crisp printing for promotional giveaways and event use.

Customisation is available by tampography, digital printing and screen printing on objects. Ideal for companies, sports clubs, associations, events and individuals looking for a personalised lip balm. Minimum order: 200 pieces (colours and sizes combined). Our studio can retouch or vectorise your logo for marking.
