DESCRIPTION

20 cm pine wood ruler, flat and rectangular, designed for school or office use. It features metric graduations on one side and inches on the other, with a natural finish that highlights the wood grain. Its slim profile and straight edges make it easy to handle and to store in a pencil case or drawer. Care is straightforward: wipe with a dry or slightly damp cloth and avoid prolonged immersion.

Not available for single-piece orders: minimum 1000 units (colours and sizes combined). Suited to promotional campaigns, school kits and events where a practical, recyclable item is required. We provide a free quote within 24 hours on weekdays and offer a design studio to vectorise your logo if needed.
