DESCRIPTION

The Linea 100 is a compact phone accessory in ABS, a retractable Type-C to Type-C cable designed for charging and data transfer. It supports 100 W and a data rate of 480 Mbps. At 6.4 x 6.4 x 1.4 cm it’s easy to carry and comes in several colours, for example black and white.

The rounded square housing conceals a retractable mechanism that protects the cable when not in use. A built-in phone stand function allows temporary hands-free viewing of the screen. The smooth ABS surface provides a flat area suitable for marking.

This personalised phone accessory is suitable for digital printing, doming and pad printing to apply your logo or artwork. Recommended for companies, clubs, associations, events and corporate gifts — minimum order: 100 pieces (colours combined). Free quote in 24 hours on weekdays and a graphic studio is available to prepare your artwork.
