DESCRIPTION

Compact 3-fold umbrella designed for everyday use. The canopy is made from RPET for waterproof performance with a lightweight feel; a fully black-plated frame and fibreglass ribs provide wind resistance. Automatic open and close mechanism, ABS handle with rubber finish and wrist strap for easy carrying. Open dimensions: Ø107 x 62 cm.

The model comes with a matching sleeve and folds down neatly to fit in a bag. The three-panel construction keeps the protective surface generous while remaining compact when closed. Care is straightforward: allow to dry open before storing.

Customisation is available with screen printing, multicolour transfer, DTF printing and flex, suitable for companies, sports clubs, associations, events and individuals. Minimum order: 13 pieces (colours combined); smaller quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; standard production and express options are available. This is a personalised umbrella option.
