DESCRIPTION

The Amboli storm umbrella is designed for regular use by businesses, clubs and private customers. Its polyester pongee (PE) canopy is supported by a fibreglass shaft and ribs for wind flexibility; it features automatic opening and an ABS handle with a rubberised finish for a secure grip. With a generous span (Ø104 x 79.5 cm) it provides effective rain protection while remaining easy to handle.

The photo shows a straight shaft and an ergonomic handle with an opening trigger. The umbrella has practical, reinforced seams and rib tips for consistent performance in use. Maintenance is straightforward: wipe the canopy clean and allow to air-dry before storage.

This umbrella is available from a minimum order of 13 pieces (colours and sizes combined). We supply personalised umbrella options using screen printing on objects, multicolour transfers, DTF printing, flex and sublimation — suitable for companies, sports clubs, associations, events and corporate gifts.
