Ref. 2927

Reference	2927
Composition	ABS
Material	ABS
Average weight	2.85
Dimensions	33 x 21 x 52CM
Country of origin	China
Carton	2 pieces

DESCRIPTION

18" trolley suitcase in ABS (33 x 21 x 52 cm), designed for business trips and short stays. The hard-shell ABS construction protects contents while keeping weight low, making it suitable as cabin baggage. Cleaning is straightforward — a damp cloth removes most dirt from the shell.

The trolley features a retractable telescopic handle and four multi-directional spinner wheels for easy manoeuvring. Inside there is one main compartment plus an internal compartment, and security is provided by an integrated lock. The diagonal ribbed finish and reinforced edges improve handling and help hide wear from regular use.

Customisation is available for companies, clubs, associations and event gifts: laser engraving, pad printing, digital printing and doming. This item is sold from a minimum of 2 pieces (colours and sizes combined). A practical personalised travel trolley to promote your brand on the move.
