DESCRIPTION

Elegant aluminium desk lamp, model Bistro, designed for professional and home use. The lamp features a slim stem with a flat, circular head and a cylindrical base that keeps it compact and unobtrusive on a desk. It houses 24 LEDs with three lighting modes and progressive touch dimming, allowing you to tailor brightness to the task. A built-in rechargeable 1200 mAh Li-Ion battery provides several hours of cordless operation.

The metal finish looks smooth and understated, built to withstand regular use. Compact footprint (8 x 30.5 cm) and straightforward touch controls for on/off and dimming. Care is simple: wipe with a soft cloth and avoid harsh chemicals. Suited to desks, reception areas, coworking spaces and corporate gifting.

Customisation options include laser engraving, pad printing (tampography), digital printing and doming. Ideal for businesses, clubs, associations and events seeking personalised desk lamps. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; our graphic studio can vectorise your logo.
