DESCRIPTION

This 3-piece gift set includes an A5 notebook with FSC-certified paper, a ballpoint pen made from recycled aluminium and a 350 ml double-walled stainless steel travel cup with a sliding lid and wrist strap, presented in a compact gift box (30.4 x 24.6 x 10.5 cm). Designed for everyday use and travel, the notebook lies flat for easy writing, the pen has a clean, solid feel and the cup offers improved insulation compared with single-walled alternatives. Care is straightforward: hand-wash the cup to protect the lid and insulation; keep the notebook dry.

The set offers a neat, ready-to-give presentation suitable for corporate gifting or event distribution. Components are practical and durable: a hardcover notebook, a smooth-bodied pen and a tidy presentation box. The recycled materials used for the pen and cup reflect a more responsible choice.

Customise this set for companies, sports clubs, associations, schools or private customers: we provide personalised writing by screen printing, DTF printing, laser engraving, embossing, multicolour transfer, flex and pad printing. Minimum order: 3 pieces (colours and sizes combined). Free quote within 24 h on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
