DESCRIPTION

Rectangular outdoor sleeping bag, Asleep model, designed for camping and outdoor stays. The outer shell is polyester 170T (composition PE on file) with a cotton PP inner lining, providing a lightweight and comfortable feel; dimensions 75x185cm suitable for an average adult. Quilted stitching gives structure and helps keep the filling in place, while care should follow standard instructions for synthetic shells and padded items.

The sleeping bag packs down into a supplied drawcord carry bag for easy transport and storage. Its rectangular cut leaves room to move, making it practical for camping trips, festivals or group events where a simple, durable sleeping solution is required.

Personalisation available by multicolor transfer, DTF printing or flex; recommended for companies, sports clubs, associations, events and individuals. Minimum order: 5 pieces (colours and sizes combined) — free quote and graphic studio support available on request.
