DESCRIPTION

These unisex flip-flops in EVA have a simple, practical fit suitable for everyday indoor and outdoor use. Manufactured from EVA, they feature a slightly contoured footbed and a V-shaped strap with a toe post that provides basic hold and light comfort. They come in several colours, for example Black and White, in size 42/43 (length 29.3 cm).

The sole shows a treaded pattern and a textured walking surface that improves grip. The one-piece EVA construction makes them easy to care for: a rinse and air-dry is sufficient. The clean, seam-free design has no closures, making them easy to store and distribute in volume.

These flip-flops can be personalised by pad printing (tampography), a suitable option for companies, sports clubs, associations, events and private customers. Minimum order: 10 pieces (colours and sizes combined). They work well as promotional items or event footwear; marking can be applied to the footbed or the strap depending on the desired placement. personalised flip-flops
