## DESCRIPTION

Compact powerbank made from recycled aluminium, designed for professional and event use. This unisex model features a matte finish and comfortable grip; an LCD power display shows remaining capacity and the unit offers two Type-C and two USB-A outputs with PD 65W fast charging. The stated dimensions are 93 x 50 x 50 cm, making it an easy-to-carry solution for bags or distribution at events.

The photo shows a flexible silicone loop attached to the top, useful for hanging the powerbank or securing it during transport. The aluminium casing provides a sturdy yet lightweight feel and a premium look, while the digital readout simplifies monitoring the charge level.

Customisable from a minimum of 5 pieces, this personalised powerbank can be marked by laser engraving, pad printing or digital printing. Ideal for companies, sports clubs, associations, events and individuals who want a practical, visible promotional gift. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
