DESCRIPTION

Unisex bum bag in 600D RPET polyester, designed for sports and outdoor use. Its slim, flat profile reduces bounce while running and features a main zippered compartment plus a side zip pocket to separate keys, cards and a small phone. An elastic adjustable strap with a plastic buckle provides a secure, comfortable fit. Size: 24 x 9.5 cm. Lightweight and durable thanks to RPET; surface dirt can be wiped off easily.

The visible zips and stitched seams in the photo underline the product's functional finish: low profile, no bulky compartments, minimal wind resistance and discreet storage under clothing. Suited to running, light hiking and sporting events where you need to keep essentials close at hand.

This personalised bum bag can be branded by screen printing on objects, multicolour transfer, DTF printing or flex, depending on the desired look. Intended for companies, sports clubs, associations and events. Minimum order: 100 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and our design studio can retouch or vectorise your logo.
