DESCRIPTION

Vanit toiletry bag in RPET, designed for everyday use and travel. The compact rectangular shape (22 x 4 x 13 cm) includes a main zipped compartment, a front zipped pocket visible in the photo and a side carry loop for easy handling. Constructed from 600D RPET with a PU coating and a 210D RPET lining, the bag has a structured feel and protects toiletries; an internal mesh and open pockets help keep items organised. Available in several colours, for example Black and Navy Blue.

Visible details — front zip, reinforced edge stitching and an RPET loop — make the bag practical and tidy to use. Its compact dimensions fit neatly into luggage, a sports bag or locker, and the synthetic material keeps maintenance straightforward.

This personalised toiletry bag can be marked by screen printing on object, multicolour transfer, DTF printing or flex depending on the desired finish. Suitable for companies, sports clubs, associations, events and private customers; minimum order 100 pieces (colours combined).
