DESCRIPTION

Metal rechargeable desk lamp on a slim stand, designed for indoor use on desks, reception counters or side tables. The round head houses 39 LEDs with progressive dimming and options for warm light or colour-changing modes, powered by an internal battery offering up to 6 hours of use. The slim stem and circular base provide a discreet, stable presence; dimensions Ø13 x 29.5 cm.

The touch control on the head allows simple adjustment of brightness and switching between light modes. The metal base and stem give a neat finish suitable for daily use, and the streamlined design keeps the lamp unobtrusive on your workspace.

Customisable as a personalised desk accessory using Digital printing, Doming, Pad printing or Laser engraving. Ideal for companies, receptions, hotels, clubs and events wishing a practical, branded object. Minimum order: 10 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to prepare or vectorise your logo.
