DESCRIPTION

Water-repellent bucket hat in polyester designed for outdoor use. Classic bucket shape with a soft brim and an adjustable chin cord with a toggle, supplied with a round fabric pouch and an ABS carabiner for easy carrying. Available in several colours such as khaki, black and navy. Marked size: 58 cm. The polyester construction provides water-repellent performance; follow the care instructions on the label.

The visible stitching around the brim and the simple crown finish make the hat compact and easy to fold into its pouch, ideal for outdoor events and promotional giveaways due to its low pack size.
