DESCRIPTION

The Hummum beach set, combining a towel and a bag, is designed for seaside and pool use. Made from a PET-cotton blend (as specified), it balances soft-touch comfort with structural resilience. With dimensions of 50x14x38 cm the bag holds the towel and essentials comfortably. The product comes in several colours, for example Blue, Grey and Turquoise.

The bag features a straightforward shape with shoulder straps for easy carrying; the towel displays stripes and fringed edges that aid drying and everyday use. Visible stitching and a foldable format make the set simple to store and maintain following the manufacturer's care guidance.

This item is suitable as a personalised beach bag for companies, sports clubs, associations, events and private customers. Personalisation techniques available include screen printing on object, multicolour transfer, DTF printing, flex and embroidery.
